### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Jens C. Jenkins on 22 June 2006.

The application has been amended as follows:

Amend claim 43 as follows:

43. (Currently Amended) A system for directly operating on data structures in a generic manner regardless of the type of data structure being operated upon and without requiring dedicated executable code for manipulating data structures of a particular data type, the system comprising:

a data structure of a particular data type corresponding to one or more applications, the data structure organized in accordance with a set of rules and associated with an identity;

a navigation module configured to recognize a common set of command methods that ~~may be~~ are used to operate on data structures of a number of different data types corresponding to a plurality of applications and to a plurality of identities that control access to the data structures, including the data structure of the particular data type, the navigation module identifying the data structure by identifying (i) the identity, (ii) the set of rules associated with the identity, and (iii) an instance to be operated upon from among more than one instance of the
